I'm not sure if anyone's read these, but this is where it works! I'm a 4,085-year-old alien who likes to write books, songs and everything. I read books as often as most people drink water, and I almost always have one with me. I play a lot of Tabletop RPG (especially Dungeons and Dragons, but it's not the only one I play) and I recently started drawing miniatures. I love Doctor Who, The Legend of Zelda, Star Trek (Mainly the Original Series), Warehouse 13, Game of Thrones, Supernatural, Harry Potter, Lord of the Rings, DC and Marvel Comics, and almost every other nerdy fan you can find. I play a few instruments, but my favorite is the electric violin. I also have 3.5, 75 and 29-gallon freshwater aquariums filled with small aquatic creatures. I'm not sure what else to say, but I hope you all have a wonderful day/night!
